GENERAL TERMS AND CONDITIONS OF SALE
TAYLOR FORGE STAINLESS
(Herein referred to as TFS)

WARRANTY	<p>All TFS products are warranted to be free from manufacturing defects for a period of one (1) year from date of shipment, and any found to be defective within that period will be replaced without charge, provided (1) the product was used as recommended and in accordance with approved installation and operating practices; (2) its failure resulted from a manufacturing defect and not from damage due to corrosive, abrasive, or other wear normally expected in the services involved; and (3) written notice of such defect is delivered to TFS during such (1) year period. TFS will not be responsible for labor costs or other expenses or liability.</p> <p>The Uniform Commercial Code and the New Jersey statutes adopting the Uniform Commercial Code shall not be applicable to this sale.</p> <p>This express warranty is in lieu of and excludes all other warranties, guarantees or representations, express or implied. There are no implied warranties of merchantability or of fitness for a particular purpose in connection with the sale of TFS products.</p> <p>THE FOREGOING WARRANTIES ARE THE EXCLUSIVE WARRANTIES PROVIDED BY SELLER, REGARDLESS OF WHETHER ANY DEFECTS OR NON-CONFORMITIES ARE DISCOVERABLE OR LATENT. NO OTHER WARRANTIES (WHETHER EXPRESS OR IMPLIED, BY OPERATION OF LAW OR OTHERWISE) SHALL APPLY, INCLUDING WITHOUT LIMITATION WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR PURSUANT TO COURSE OF DEALING OR TRADE USAGE. THE FOREGOING WARRANTIES ARE CONDITIONED ON THE NORMAL AND PROPER INSTALLATION, USE AND MAINTENANCE OF THE PRODUCTS PROVIDED BY SELLER. ANY USE OF THE PRODUCTS CONTRARY TO SELLER'S INSTRUCTIONS OR RECOMMENDATIONS OR BEYOND THEIR DESIGN CAPABILITIES, OR ANY ALTERATION, MODIFICATION, NEGLIGENCE, ABUSE, ACCIDENT OR DAMAGE INVOLVING SUCH PRODUCTS, WILL VOID THE FOREGOING WARRANTIES.</p>
PURCHASER'S REMEDIES	The purchaser's remedies with respect to any product furnished by TFS hereunder that is not in conformity with the terms and conditions of the contract because of breach of contract, breach of express or implied warranty, TFS' negligence, or strict liability shall be limited exclusively to the right of replacement of such defective product or, at TFS' option, to refund of the purchase price of the product. In no event shall TFS be liable for claims (based upon breach of contract, breach of express or implied warranty, negligence, or strict liability or any other theory) for any damages, whether direct, immediate, foreseeable, incidental, consequential, or special or for any expenses incurred by reason of the use or misuse, sale or fabrication of products which do or do not conform to the terms and conditions of the contract.
PRICES	Prices, and other terms of sale and payment, are subject to change without notice. Unless a contrary provision appears in the price schedule quotation or order acknowledgement, prices may be withdrawn without notice at any time. Stenographic or clerical errors are subject to correction.
ACCEPTANCE OF ORDERS	All orders are subject to approval by TFS credit department prior to acceptance by TFS. No assignment of the Purchaser's rights may be made without the written consent of TFS.
REMITTANCES	Finance charges computed by a percent rate of 1½ % per month which is an annual percent rate of 18 % on all past due invoices. All Accounts are payable in United States funds, free of exchanges, collection, or any other charges. If, in the sole discretion of TFS, the financial condition of the Purchaser at any time so requires, TFS retains the right to require full or partial payment in advance.
PARTIAL SHIPMENTS AND PAYMENTS	TFS reserves the right to make partial shipments from time to time, and to render invoices therefore which shall be due and payable as provided in the said invoices and the paragraph entitled "Remittances". If any such partial payments become overdue, TFS shall be entitled to suspend work and/or avail itself of other legal remedies.
TAXES	Unless otherwise specifically noted, the amount of any sale, use, occupancy, excise tax, or other tax, of any nature, federal, state, or local, for which TFS is legally liable, either initially or through failure of payment by Purchaser, shall be added or be in addition to the price quoted and Purchaser agrees to pay the same to TFS.
SHORTAGES AND DAMAGE IN TRANSIT	Claims for shortages must be made in writing within ten days after receipt of shipment. All loss of or damage to materials in transit is the responsibility of the carrier.
DELAYS	All promises of shipment are estimated as closely as possible. TFS will use its best efforts to ship within the time promised but not guarantee to do so, and assume no liability for not doing so. Materials stated to be in stock are subject to prior sale.
CANCELLATION AND SUSPENSION	The order to contract is subject to cancellation or instructions to suspend or delay work or delivery only upon receipt of written notification and with our consent, and upon agreement to pay TFS's adjustment charge. Orders for special products (usually "price on application" items) may be changed and/or cancelled only upon receipt of written instructions with a tacit understanding and agreement to make payment for material used and work already performed.
RETURN OF MATERIAL	No product of TFS manufacture may be returned without written consent. All goods returned are subject to a handling charge plus freight in both directions and charges for any required reconditioning, unless otherwise specified in writing by TFS.
INTELLECTUAL PROPERTY	The Purchaser shall defend, indemnify and hold harmless TFS against and from all liability, demands for alleged infringement, actions or claims relating to alleged intellectual property rights, including trademark, trade name, service mark, trade dress, trade secret, patent, design, copyright or similar proprietary or intellectual property right of a third party residing in the design, method of manufacture dictated by Purchaser, method of use of, or a process incorporating, any product supplied by TFS under the contract and made in accordance with the design and/specification furnished by the Purchaser to TFS, including costs, damages and reasonable attorneys' fees. NO WAIVER	The failure of TFS to insist, in any one or more instances, upon the performance of any of the terms, covenants, or conditions of the contract or to exercise any right thereunder shall not be construed as a waiver or relinquishment of the future performance of any such term, covenant, or condition or the future exercise of such rights, nor shall it be deemed to be a waiver or relinquishment of any other term, covenant, or condition, or the exercise of any other rights under the contract.
DIES, TOOLS AND PATTERNS	Dies, tools, and patterns required to produce the products quoted on shall remain the property of TFS. Preparation charges or charges for dies, tools, and patterns represent only a portion of cost. Payment of such charge does not give the Purchaser any right, title, or interest in such dies, tools, or other products of preparation. TFS will not be responsible for retention of dies or patterns on which no orders are received for two years or more from the date of the last order.
FORCE MAJEUR	Any delays in or failure of performance of TFS shall not constitute default or give rise to any claims for damages if and to the extent that such a delay or failure is caused by occurrences beyond the control of TFS, including, but not limited to: acts of God or the public enemy; expropriation or confiscation of facilities, compliance with any order or request of any governmental authority, acts of war, rebellion or sabotage or damage resulting there from; embargoes or other export restrictions, fires, floods, explosions, accidents, breakdowns, riots or strikes other concerted acts of workmen, whether direct or indirect; or any other causes whether or not of the same class or kind as those specifically above named which are not within the control of TFS and which, by the exercise of reasonable diligence, TFS is unable to prevent or provide against.
